LIVE PROJECTS

Wyzant - Find Expert Tutors

The Wyzant App makes it easy for parents and students to instantly connect with expert tutors for in-person and online lessons. Find your ideal tutor: We have more tutors covering more subjects than anywhere else. Easily compare tutors and their ratings, student reviews, backgrounds, and fees.

CodeMode

It is an online platform for students to take the tests and teachers to create those tests - all examinations covered. CodeMode provides students insight into their preparation and performance using advance data analysis.

Speed Meeting - Connect Online

You make a profile. Write your information and when you login you can choose between private/business. If you chose private you enter the groups where other people are. this is speed meeting.
